

Summer Camp Tutoring

11:00 am - Noon

K-1 Monday & Wednesday
2-5 Grades Tuesday & Thursday

DREAM will offer tutoring this summer for students who may need additional assistance in core subject areas such as Math and Reading. Participants will attend tutoring in small groups for one hour, two days per week, to ensure that they are working at or above grade level and will be prepared for the following school year . Summer tutoring is not required, but recommended if your child struggled academically this school year in Reading and Math.
